

Speak out against the escalation and continuing war in Afghanistan

Keep the Heat on Congress!! Please distribute to friends and allies.

Now is the time for members of Congress to speak out against the escalation and continuing war in Afghanistan! Too many antiwar members are keeping silent, while waiting for the President and letting the military shape the debate.

*Keep calling their offices and urge them to take a rapid, public stand opposing the expansion of the war in Afghanistan. Let them know that as a constituent you want this to war to end. Check here for your Rep's direct number and staff list:
